30 January 2012

Dear Parents,

I am continuing Homework Centre in 2012. Homework Centre is now available for students in Years 7 to 10. The aim of the centre will be to provide students with assistance when completing their homework and assignments and to give some extra assistance for students who may require or want extra guidance in certain subjects. There is no cost to students.

WHEN- Tuesday afternoons from 3-4pm. First day is on Tuesday 14 February 2012 (week 3)
WHERE- Kellyville HS Library.

Students will be required to stay until 4pm unless they bring a signed note saying they are leaving earlier as they will be under the supervision of Kellyville High School staff members. At 4pm the students will be dismissed and parents will be responsible for organising the student’s journey home.

If the students require afternoon tea prior to 4pm, they will be responsible for supplying their own food and drinks.

If you have any queries please call Mrs Ruys on 88245955.

Please indicate your interest by completing the form below and returning it to Mrs Ruys.

Yours sincerely,
