Kellyville High School

Internal Examinations: Expectations of Students.

- Students are responsible for ensuring they arrive at least 10 minutes before the commencement of an examination. Students must be seated and have signed the Attendance Slip so that the examination can begin at the scheduled time. No additional time will be allowed if a student arrives late. The Attendance Slip is to be collected 10 minutes after the commencement of the examination.

- Students must line up outside the hall before being directed to their seats. There should be NO speaking from the time of entry to the hall/examination area until all the papers have been collected.

- Students are to place their bags in the area provided in the hall, NOT under their seats in the hall.

- Students are required to stay for the whole time allocated to the paper.

- Students are not permitted to read papers until advised by the supervisor. Students are permitted to write their name and student number on exam papers. No other writing is permitted before the examination starts.

- Where reading time is permitted, students may read through papers but are NOT permitted to do any writing.

- Students are responsible for bringing all required equipment to the examination and must carry that equipment in by hand NOT in pencil cases or any other containers.

- If students need to go to the toilet during the exam, they must ask a supervisor. The supervisor will make a record in the School Pass-Out Book and then accompany the student to the closest toilets. Students CANNOT leave, however, during the first hour of the exam or in the last half an hour of the exam. Students with medical conditions and appropriate documentation are an exemption.

- Students must ensure their actions are not distracting to other students. Some points to remember: * mobile phones, walkmans etc. are not permitted.
  * watches and calculators should be silent and non-programmable.
  * to ask a question, raise a hand and wait for a supervisor to come over. Speak quietly.
  * sit facing the front at all times.

- Years 9 students are required to attend roll call, Y10 students are to go straight to the hall but not other lessons when official school examinations are held in the hall. Normal lessons recommence immediately after the last examination.

- Year 11 and 12 students are only required at school at the times of their examinations. They do not attend roll call or normal lessons. Their attendance for Oasis will be determined by the Attendance Slip.

- Students must clearly show that they have attempted every question and made every effort to answer questions fully and sensibly. Indicators of non-serious attempts include comments, graffiti and other scribble on examination paper.

- If examination requirements are breached by a student, particularly regarding point 9, the student’s paper will be cancelled and a zero mark awarded.

Learning; Excellence; Integrity.
